INDEX TO VOLUME 18

Author Index

ABOU-ALI, M., *paper on* 'Improving quality through robustisation', 56
ALEKSANDROWICZ, S., *paper on* 'Farm tractor quality on Crosby's matrix', 187
AL-SALTI, M., *paper on* 'Implementing SPC in a low-volume manufacturing environment', 125
ASPINWALL, E. M., *paper on* 'Implementing SPC in a low-volume manufacturing environment', 125

BALL, P. L., *paper on* 'Strategy for total quality', 88
BELAVENDRAM, N., *paper on* 'Improving quality through robustisation', 56
BELL, R. E., *paper on* 'Quality assurance for the New Zealand inter-island power transmission project', 36
BOSIACKA, M., *paper on* 'Quality assurance systems assessment and comparison in two Polish industrial plants', 164
BUYERS, R., *paper on* 'Quality assurance for the New Zealand inter-island power transmission project', 36

CARTER, L. R., *paper on* 'A non-conformance logging system for small-batch production', 133
COATES, E., *discussion on* 'The preliminary control chart', 98
CREASEY, B. R., *paper on* 'Quality management control in integrated circuit design', 105

DAY, B., *paper on* 'A host company model for auditor training', 43
DYASON, M. D., *paper on* 'Arguing the case for total quality management in the magisterial service', 69

EICHER, L. D., *paper on* 'Quality management in the '90s: The *ISO 9000* phenomena', 74

GOH, A. B., *paper on* 'Points to consider in implementing statistical process control (SPC) in industrial automation', 25

HENDERSON, G. L., *paper on* 'Girobank: The first bank to win a British Quality Award', 80

JAOKO, B. B., *paper on* 'Quality assurance systems assessment and comparison in two Polish industrial plants', 164
JENNINGS, G. M., *paper on* '*ISO 9001/9002* – use, misuse and abuse', 33; *paper on* 'The fundamentals of quality', 122
JONES, R., *paper on* 'Decision rules for cusum charts', 112

KAYE, M. M., *paper on* 'Arguing the case for total quality management in the magisterial service', 69; *paper on* 'An assessment of the role of the quality engineer in IBM Havant', 116
KINDLARSKI, E., *paper on* 'Methodology of quality assurance in Polish industries', 161; *paper on* 'A quality information system for organisational methods and techniques for quality improvement in the industrial sector', 179; *paper on* 'Quality and politics in a Polish TV set factory', 183; *paper on* 'Farm tractor quality on Crosby's matrix', 187
KŁOCZKO, M., *paper on* 'Quality and politics in a Polish TV set factory', 183
KNOWLES, R., *paper on* 'Building quality people', 13; *paper on* 'The quality professional in the 1990s', 63

LEWIS, E., *discussion on* 'The preliminary control chart', 99
LOVERIDGE, J., *paper on* 'Quality assurance at East India Dock', 17
LOWE, P., *paper on* 'A non-conformance logging system for small-batch production', 133

McEWAN, W., *paper on* 'Improving quality through robustisation', 56
MÖDL, A., *paper on* 'Six-sigma process quality', 145
MODLIŃSKI, W. W., *paper on* 'Accreditation and certification in Poland', 158
MORRISON, S. J., *paper on* 'How (not) to teach statistics', 5

NESBIT, P., *paper on* 'Common barriers to successful total quality management implementation', 53
NICHOLSON, H., *paper on* 'A host company model for auditor training', 43

OKOŃSKI, M. E., *paper on* 'Quick diagnosis of causes of inferior product quality in production processes', 168
ØVRETVEIT, J. A., *paper on* 'Towards market-focused measures of customer/purchaser perceptions of service', 21

PASŁAWSKI, M., *paper on* 'The quality concept in the post-production phase in the car industry', 192
PIETRZAK, S., *paper on* 'Subassembly quality assurance in the Polish motor industry', 174
PILLING, B., *paper on* 'A host company model for auditor training', 43

RECHA, M., *paper on* 'Quality and politics in a Polish TV set factory', 183

SARGEANT, M. C. D., *paper on* 'An assessment of the role of the quality engineer in IBM Havant', 116
SHARKEY, M., *paper on* 'Milliken Contract Carpets: Focus on the future', 94
STATHAM, A., *paper on* 'Implementing SPC in a low-volume manufacturing environment', 125
STEFAŃSKI, K., *paper on* 'Farm tractor quality on Crosby's matrix', 187
SZOMAŃSKI, B., *paper on* 'A quality information system for organisational methods and techniques for quality improvement in the industrial sector', 179

WRIGHT, A., *paper on* 'Quality assurance in Cell assembly', 138

ZAWADZKI, M., *paper on* 'A quality information system for organisational methods and techniques for quality improvement in the industrial sector', 179
